

Section 20-8

- (2) Interior lots: Fences, walls and hedges not exceeding four (4) feet in height are permitted in front yards. In side and rear yards, a maximum height of six (6) feet is permitted.
- (3) Corner lots (Vision Clearance): Within a vision clearance triangle, nothing shall be erected, placed, planted or allowed to grow in such a manner as to materially impede vision to a maximum of three (3) feet above grade and a minimum height of ten (10) feet above grade level measured thirty (30) feet from the corner property monuments located at streets and alleys..
