BUILD MACHESNEY

A Blueprint for the Future

Talmadge Avenue Improvements Construction Update #12 December 5, 2014

Nicor has indicated that they should be completed with their improvements next week. Additionally, ComEd has indicated that the replacement and relocation to two utility poles should be completed within the next couple of weeks. Due to the colder weather, the Village's Contractor has indicated that restoration of the parkway (topsoil, seed and erosion blanket) will be completed next spring.

Again, we want to thank you for your continued patience during this construction project. We also would like to take this opportunity to wish you all a Merry Christmas and Happy New Year!

Please do not hesitate to contact Nick Arps or Chris Dopkins of McMahon at 636-9590 with any questions.
