

Here is the update for the upcoming week (7/13/15):

IL 173 & Forest Hills Road

The Contractor has been placing the final pavement markings in anticipation of reopening IL 173 and Forest Hills Road to traffic. The Contractor is making every effort to reopen IL 173 and Forest Hills Road early in the week, and it is possible that both will reopen in time for the weekend.

Traffic control will remain in place along IL 173 generally between Perryville Road and Forest Hills Road for the duration of the construction season. Traffic control will also remain in place within certain turn lanes of Forest Hills and Perryville Roads.

Looking ahead, paver block installation for the center medians and corner islands of IL 173 between Alpine Road and Smythe Avenue is set to begin the week of July 20th. Additional information will be provided next week.

Mitchell Road

Mitchell Road has been closed to make way for new box culvert improvements and new pavement. Rainfall events have pushed construction a little behind schedule, and as a result Mitchell Road is expected to reopen to traffic in late July.
