*A Blueprint for the Future*

---

### **Alpine Road West Service Drive Reconstruction Construction Update #4 September 4, 2015**

#### **Week of September 7<sup>TH</sup>:**

- The CONTRACTOR will not be working on Monday. Happy Labor Day!
- Curb and gutter is scheduled to be poured on the east side of the Alpine Service Drive between Juniper and Roosevelt. As we mentioned at the resident meeting, curb and gutter will be constructed on one side of the road at a time in order to facilitate parking during the construction process. Most of the curb and gutter for this project will be constructed via a machine that is guided by a "string line". Before the actual construction of the curb and gutter, the CONTRACTOR will drive specialized stakes and set the string line that is used to guide the machine. The CONTRACTOR has advised that curb crews will be on-site beginning Wednesday, September 9<sup>th</sup> to set stakes and begin string line operations. The first curb pour is scheduled for Friday, September 11<sup>th</sup>, weather permitting. We will issue a construction update to the affected residents the day ahead of the pour. The update will be delivered to your temporary mailbox (and will also be available on the Village's website), so please make it a point to check your mailbox in the afternoons. Everyone's driveway is located along the west side of the Service Drive, so you should have access to your driveways during this time. It typically takes 2-4 days for the concrete to cure to a sufficient strength to support traffic, so please refrain from parking your vehicles along the curb & gutter during that time. The CONTRACTOR will backfill the curb once it has cured to sufficient strength in preparation for the curb pour along the west side of the Service Drive, which is tentatively scheduled for the following week (September 18<sup>th</sup>).
- The Service Drive access from Alpine Road, north of Nelson Drive, is closed. Please use Roosevelt Road, Nelson Drive, or Juniper Lane to access the Service Drive.

Thank you.
