

Village of Machesney Park

TOY DRIVE to benefit the Helping Hands Pantry

Helping Hands serves about 400 families a month in the Parks community and the number continues to grow. By donating a new toy, you will give joy to children whose families rely on the pantry for their food needs, and help make their Christmas a bit brighter this year.

BRING AN UNUSED TOY TO MACHESNEY PARK VILLAGE HALL to help benefit needy children at Christmas time. Let's make this a very Merry Christmas for all.

Toys will be accepted at Village Hall, 300 Roosevelt Road, through December 11.
