Eggspress Lands in Machesney Park

Breakfast & Brunch restaurant will open a new drive-through location on North 2nd Street

Machesney Park – Soon there will be a new location for Eggspress fans to pick up their Eggspress Bowls and Nutella Doughnut Sandwiches on the go. Co-owners Pete Spyrtos, Dennes Spyrtos and Alex Henigan are opening their newest location at 8660 N. 2nd Street on an outlot of the Machesney Town Center.

“The growth of our Eggspress concept is very humbling and we’re so happy that our customers love and support our restaurants,” said co-owner Peter Spyrtos. Spyrtos and co-owner Alex Henigan opened an Eggspress in Loves Park on Riverside Boulevard last fall and are acquiring a third location to be disclosed in the near future.

“The Village of Machesney Park is excited to welcome Eggspress and their one-of-a-kind restaurant experience to the Machesney Town Center,” said Machesney Park Mayor Jerry Bolin. “Pete and his team have chosen an excellent location for their concept and we appreciate their investment in Machesney Park.” said Mayor Jerry Bolin.

“We’ve already begun working on our building and look forward to opening in mid-June,” said Spyrtos.

Eggspress will occupy the 3,300 square-foot building at the north end of the Town Center, and will offer a spacious dining room and convenient drive-through. The owners hope to offer an outside seating area in the future.

The owners plan to hire 20 new employees for the Machesney location over the next month. For more information on Eggspress, visit their facebook page at: <https://www.facebook.com/Eggspressinc/>
