

BUILD MACHESNEY

A Blueprint for the Future

Prairie & Dorothea Improvements Construction Update #2 August 8, 2016

Week of August 8th : REVISED

- On **Wednesday, August 10** the Contractor will excavate in the intersection of **Prairie Lane and the IL 251 frontage road**. This work will occupy the majority of the intersection and is expected to be completed in a day. Access will be limited so please allow additional time.
- Northern Illinois Service will begin to mobilize to the site. **On Thursday, August 11 they will begin storm sewer construction starting at the corner of Prairie and Dorothea and will go south on Dorothea**. The installation of the storm sewer will occupy the majority of the roadway. There will be limited access in and out during working hours. Later in the week they may install storm sewer on Prairie Lane going east.
- Traffic control will be delivered and installed.
- Select materials will be delivered to the site and stored in the Village right-of-way. Please be careful driving around the stored materials.

Please drive slowly in the construction area.

Thank you for your cooperation.
