

BUILD MACHESNEY

A Blueprint for the Future

Kingsley & Drexel Improvements Construction Update #7 August 12, 2016

Week of August 15th:

- The Contractor will continue storm sewer work on Drexel. Storm sewer construction will continue east towards Elm Avenue. The construction will occupy the entire roadway, so you will need to access your drive from a different direction during this construction. Driveway access will be blocked when the Contractor is working in front of your home, and the Contractor will notify affected residents the day before the work blocks access to the driveway. The Contractor may also need to adjust the water service and sanitary sewer service that connects your home to the main pipes in the street. If this occurs, you will not have water/sewer service during the time that the Contractor is making the adjustments. Again, the Contractor will notify you of these items the day before the work occurs.
- The Contractor will bring in a second crew to insulate water services along Drexel east of Elkhorn. The construction will occupy the entire roadway, so you will need to access your drive from a different direction during this construction.
- The Contractor plans to work on Saturday, August 13th.
- This is the last opportunity to fill out and return the temporary construction easement forms. We have placed forms with this construction update for those who have not yet returned them. If you are a renter, we ask that you please notify your land lord, and we have mailed forms to the land lords as well.

Again, we ask that you please fill out the form and return it to the offices of McMahon Associates, 1700 Hutchins Road, Machesney Park, IL, or Village Hall. Our office is located on the west side of the new Meijer Store and you are more than welcome to simply drop the forms off at our office. We are open from 8:00 AM to 5:00 PM, Monday thru Friday. **The deadline to return the forms is the close of business, Wednesday August 17th.**

If you have any comments or questions feel free to contact:

N-TRAK Group,
Danielle Schlichting
815-282-3000

McMahon
Chris Dopkins or Jim Kroepin
815-636-9590

We thank you for your patience, and we remind you to please exercise caution while driving through the construction zone.
