

BUILD MACHESNEY
A Blueprint for the Future

**Kingsley & Drexel Improvements
Construction Update #17A
October 12, 2016**

- The paving schedule and sequence has changed. The Contractor will be paving the roadways beginning on Thursday, October 13th and paving is scheduled to continue through Friday, October 14th. The Contractor should have the roadway paving complete by the end of the day on Friday. However, if for some reason the paving isn't complete Friday the Contractor will be back on Monday to finish. Paving will begin on Kingsley Drive immediately east of the Service Drive, and the eastbound lane will be paved first. We ask that you please refrain from parking in the roadway during the paving operations. The pavement will remain warm for a few hours after it is placed and so we ask that you please drive with caution during this time. Please do not accelerate quickly, and turn your wheels only while moving.

If you have any comments or questions feel free to contact:

N-TRAK Group,
Danielle Schlichting
815-282-3000

McMahon
Chris Dopkins or Jim Kroeplin
815-636-9590

We again thank you for your patience, and we remind you to please continue to exercise caution while driving through the construction zone.
