

to benefit the Helping Hands Pantry

Each year, Helping Hands serves about 400 families a month in the Parks community. These families are not only short on food but some do not have the means to provide gifts for their children during the holidays. To help, please donate a new, unused gift to make a Merry Christmas for these children.

Please drop off toys at Village
Hall, 300 Roosevelt Road,
Monday-Friday, 8-4:30 PM,
through December 9.
