

## **BUILD MACHESNEY**

*A Blueprint for the Future*

---

### **IL 251 Service Drive Improvements Construction Update #3 July 21, 2017**

#### **Ongoing Work, and Work Completed to Date**

- New valves have been installed at the Harlem Ct and Darr Intersections
- New water services have been installed along the entire Service Drive.
- Storm sewer has been installed along Harlem Court.
- Storm Sewer has been installed along Darr Avenue.

#### **July 21<sup>st</sup> thru July 28<sup>th</sup>:**

- The Contractor will install storm sewer along the Service Drive beginning at Darr Avenue and working their way south towards the CVS Pharmacy. This run of storm sewer should take approximately three days to install, weather permitting.
- The Contractor will then go back to the Darr Avenue intersection and begin to install storm sewer north along the Service Drive towards Harlem Court.

The storm sewer work will consume the entire width of the street, so you will not be able to drive around the work zone.
