

Yard of Distinction Award Winners - August 2017

The Village of Machesney Park is pleased to announce the Yard of Distinction Award winners for August. During the last month, the Village has had sufficient rain to really bring out the beauty of our yards. Along with the summer rains, the extra time, energy and money residents expend on their lawns, and the imaginative touches they bring to their landscaping not only enhance the value of the homes around them, but also foster a positive image of the entire neighborhood. The Village is pleased to provide a Yards of Distinction for the August winners which they can display permanently:
