Per Public Act 97-0609, effective January 1, 2012, an amendment to the Open Meetings Act requires an IMRF employer to post information regarding employee compensation.

Within six business days of approving the annual budget, an IMRF employer must post the total compensation package for each employee receiving a total compensation package that exceeds \$75,000. At least six days prior to an IMRF employer approving an employee's total compensation package that is equal to or in excess of \$150,000 per year, the employer must post the total compensation package for that employee.

For this statute, "total compensation package" and therefore the amount listed below includes: salary, employer-paid health insurance premiums, housing allowance, vehicle allowance, clothing allowance, bonuses, loans, vacation days granted, and sick days granted.

The Village posts the information as required by law on its website. However, if current information is not posted here, then you may obtain the information by contacting the Village Clerk at 815-877-5432 or Village Hall, 300 Roosevelt Road, Machesney Park, IL 61115.

---

For the fiscal year ending April 30, 2019, the Village of Machesney Park does not have any employees with a total compensation package that is equal to or in excess of \$150,000.
