### **Scott, Juniper and Cadet Improvements Construction Update #6 August 24, 2018**

#### **August 24<sup>th</sup> – August 31<sup>st</sup>:**

- NICOR is advising that they will be on site beginning Tuesday, August 28<sup>th</sup> to begin lowering the gas mains that are in conflict with the storm sewer. NICOR will be working at the intersection of Juniper and Cadet first, then moving operations to the intersection of Mildred/Juniper thereafter.
- The Contractor will continue to install storm sewer at the north end of Cadet Road. The Contractor will coordinate with the affected residents through the storm sewer construction.
- The Contractor will continue install storm sewer along the west side of Cadet Road between Juniper and 8222 Cadet. Again, the Contractor will coordinate with the affected residents through the storm sewer construction.
- Depending on NICOR progress, the Contractor may remove and replace inlets at various locations around the job site.
