

BUILD MACHESNEY

A Blueprint for the Future

Scott, Juniper and Cadet Improvements Construction Update #7 August 31, 2018

August 31st – September 7th

- NICOR will continue to lower the gas mains at the intersections of Mildred and Juniper. Once the work at the Mildred/Juniper intersection is complete, NICOR will move to the Scott Lane/Juniper Lane intersection.
- The Contractor will install storm sewer along the north side of Juniper Lane. Work will start at the Cadet/Juniper intersection and continue east.

The Contractor will tidy up the site as much as possible before the holiday weekend. We hope that you all have a safe and happy Labor Day Weekend!
