

**BUILD MACHESNEY**  
*A Blueprint for the Future*

---

**Scott, Juniper and Cadet Improvements  
Construction Update #12  
October 5, 2018**

**October 5<sup>th</sup> – October 12<sup>th</sup>**

- Rain, Rain – Go Away! There is considerable rain in the forecast throughout the next seven days. We will work when the weather conditions allow, but it does appear that we will lose some time over the next week to weather conditions.
- Between the raindrops, the Contractor will continue to work on miscellaneous sidewalk and curbing that will be repaired as part of the project. The Contractor will coordinate with you if the removals affect your driveway access.
- The Contractor will be forming and pouring the sidewalk along north side of Juniper Drive.
- The Contractor will shape and compact roadways throughout the project site in preparation for paving.

If you have questions, you may contact Chris Dopkins of McMahon at 815-636-9590, or Kyle Markhardt of N-Trak Group at 815-282-3000.
