

2018 Leaf Vacuuming

(Provided by Rock River Disposal)

Beginning the first week of November leaf pick up in the Village will be done on a weekly basis.

Please keep in mind that pick up is dependent on weather and the amount of leaves that may have been put at the curb during any given week which could delay pick up times.

Please contact Rock River Disposal at 815-965-2489 should you have any questions or your leaves have not been picked up beyond a week's time.
