Northpointe Development Withdraws Zoning Applications

The proposed 64-unit apartment complex at the Machesney Town Center will not proceed

MACHESNEY PARK, IL (February 24, 2021) – On Wednesday, February 24th, 2021, at 1:12p, the Village received notice that Northpointe Development has withdrawn their zoning applications for the multi-family workforce housing development that was proposed at the north end of the Machesney Town Center (Machesney Park Mall). A withdrawn application means that the project can no longer proceed through the development process and therefore, the project is terminated.

If you have any further questions regarding this matter, please feel free to call the Planning & Zoning Manager at Village Hall at (815) 877-5432.
